LONDON PARTY BOATS LTD.

For disco's and parties, we have two fully licensed bars (one on each floor), and a large dance floor with seating around and a open front deck for fresh air.

All functions can be held in comfort on the London Belle's top deck, where the furniture can be laid out in any configuration and to suit the hirer's needs.

To make your occasion even more enjoyable, professional entertainment makes a great difference. Our regular DJ's can provide a great disco for you to dance the night away. We also can provide other types of entertainment, such as Jazz or Blues bands.
