Pier bookings are subject to availability and are not confirmed until written confirmation has been provided by LPB. Embarkation and disembarkation piers and times may vary depending on pier availability and operational requirements.

Please note that pier bookings can only be requested up to six months in advance of the event date. Once the six-month booking window opens, LPB will proceed with requesting the Organiser's preferred piers, subject to availability. The requested event timings and piers are not guaranteed and may need to be amended if the preferred arrangements are unavailable.

The Organiser must not advertise, publish or promote the event, including any pier, embarkation, disembarkation or boarding details, until LPB has provided written confirmation that the pier booking and event timings have been confirmed.

LPB shall promptly notify the Organiser in writing of the start of a Force Majeure Event and shall use reasonable endeavours to limit the effect of the Force Majeure Event on the performance of its obligations.

If LPB is not able to resume substantive performance of any suspended obligations within 7 days after giving notice of the Force Majeure Event, either party may terminate this agreement by giving not less than 5 days' written notice to the other party.

In the event of termination as a result of a Force Majeure Event, the provisions of clause headings **Booking Deposit** and **Cancellation** shall still apply.

USE OF PIER AND SURROUNDING AREAS

The Hirer acknowledges and agrees that the contract with LPB is solely for the hire of the Vessel.

As part of the vessel hire agreement, LPB will arrange and book the use of a pier for the purposes of embarkation and disembarkation only. The use of the pier for these purposes is subject to the applicable embarkation and disembarkation terms set out within these Terms and Conditions.

A pier booking made by LPB for embarkation and/or disembarkation does not constitute a hire of the pier or surrounding land by the Hirer and does not give the Hirer any right to use, occupy or organise activities on the pier or surrounding land outside of the agreed embarkation and disembarkation arrangements.

The pier and any surrounding or adjoining land may be privately owned, leased or operated by third parties. LPB does not own, lease or control these areas and cannot grant the Hirer permission to use them for any purpose other than the agreed embarkation and disembarkation arrangements.

Any use of the pier or surrounding land outside of the agreed embarkation and disembarkation arrangements requires prior written permission directly from the relevant pier owner, landowner or authorised operator.

Such permission must be obtained by the Hirer before any activity takes place. The Hirer must provide LPB with written evidence of such permission in advance of the event and must be able to provide evidence of the permission again on the day of the event if requested by LPB or the relevant pier operator.

Without the prior written permission of the relevant pier owner, landowner or authorised operator, the Hirer, its guests, contractors, suppliers, entertainers, sponsors and any other persons associated with the event are strictly prohibited from:

- organising or holding a pre-party, after-party or other gathering at, on or around the booked pier or surrounding land;
- selling, supplying or distributing drinks, food or other products;
- selling or distributing event tickets, wristbands, admission passes or other forms of entry;
- arranging or providing entertainment, including DJs, live music, bands, steel bands, performers, musicians, sound systems or amplified music;
- erecting or placing tables, stalls, equipment, signage, decorations, promotional material or other event infrastructure;
- advertising, promoting, sponsoring or operating a separate event or activity;
- inviting, directing or encouraging guests to congregate at the pier or surrounding land before boarding or after disembarkation; or
- carrying out any other activity which may obstruct access, interfere with other pier users or operators, disrupt the operation of the pier, cause a nuisance, create a health and safety risk or breach any requirement of the pier owner, landowner, operator, local authority, police or other relevant authority.

This restriction applies before, during and after the vessel hire, including any period before guests board the Vessel and after guests disembark. The Hirer's vessel hire period does not provide any right or authority to occupy or use the pier or surrounding land for a pre-event, post-event or separate event.

The Hirer is responsible for ensuring that its guests, suppliers, contractors, entertainers, sponsors and any other persons acting on its behalf are made aware of and comply with this requirement. The Hirer must not arrange, encourage, facilitate or permit any unauthorised activity to take place on or around the pier or surrounding land in connection with its event.

If the Hirer or any person associated with the Hirer's event undertakes or arranges any unauthorised activity on or around the pier or surrounding land, the Hirer may be held responsible for any resulting costs, losses, claims, penalties, charges, damage, disruption or complaints incurred by LPB or any third party.

LPB reserves the right to require any unauthorised activity associated with the Hirer's event to cease immediately and, where necessary, to delay boarding, refuse access to the Vessel or terminate the event without refund in accordance with these Terms and

Conditions. Such action will not affect LPB's right to recover any costs or losses arising from the breach.

The Hirer acknowledges that any permission to use the pier or surrounding land outside of the agreed embarkation and disembarkation arrangements must be obtained directly from the relevant owner or authorised operator and is entirely separate from the Hirer's contract with LPB. LPB accepts no responsibility for obtaining such permission on the Hirer's behalf.

EMBARKATION

The Vessel will be ready for boarding 15 minutes before the requested embarkation time and passengers will not be permitted to board before this time, regardless of the weather conditions. Organisers are requested to pass this information to their party to ensure they arrive at the correct time.

The Vessel will leave the pier at the requested time and anyone not on board will be left behind. LPB will not be responsible for late passengers missing the function.

Pier bookings are pre-booked and cannot be amended or extended on the day.

Any passengers perceived to be under the influence of alcohol or drugs may be refused entry to the Vessel.

DISEMBARKATION

The Vessel will arrive at the chosen disembarkation pier 15 minutes before the end of the function which is when the bars will close. Passengers will then have 15 minutes to finish their drinks and disembark. All passengers must be disembarked by the end of the function. Passengers delaying the end of the function will incur additional hourly charges at the appropriate rate and these will be billed to the Organiser.

ENTERTAINMENT

Clients wishing to provide their own entertainment must hire LPB DJ equipment. **LPB do not permit any own DJ equipment to be brought on board.** When LPB DJ equipment is hired, a sound technician will be provided by LPB to be on board to assist with the set up and sound levels.

Noise limiters are fitted on all our Vessels in order to comply with current noise regulations and these are under the Captains' control at all times.

Music volume will be lowered in certain residential areas along the river Thames. The office team and sound technician on board can advise of the specific areas.

Music is not permitted on the outside decks of the vessel.

Should any DJs and/or MCs shout or use abusive language whilst using the microphone, a warning will be issued. The microphone will be confiscated for the duration of the hire if any requests or instructions from the sound technician are ignored.

Any aggressive, violent behaviour or verbal abuse towards the LPB DJ and/or LPB Sound Technician will not be tolerated under any circumstances, and you may be removed from the pier/Vessel by security, or your function will be terminated at the nearest pier.

Drinks are not permitted in the DJ booth.

A maximum of 2 people can be behind the DJ booth at any one time.

Clients may be required to provide names of DJs and bands that will be on board prior to the event.

Damage Deposit and Liability

Where the Organiser has booked or provided their own entertainment for the event, a £400 damage deposit is payable.

The £400 damage deposit applies to the entire vessel and may be retained, in whole or in part, to cover any damage, loss, or additional cleaning costs incurred during or as a result of the event. This includes damage to the vessel, fixtures, fittings, furniture, flooring, walls, equipment or any other property belonging to London Party Boats Ltd.

The Organiser is required to inspect the vessel and relevant equipment at the start of the event to confirm that the vessel, fixtures, fittings and equipment are in satisfactory condition and fully operational.

The Organiser shall be responsible for any damage or loss caused by themselves, their guests, suppliers, contractors, entertainers or any other members of their party. Where the cost of repair, replacement, cleaning or reinstatement exceeds the £400 deposit, the Organiser will be liable for the full additional cost incurred.

The £400 damage deposit may also be retained, in whole or in part, where the agreed minimum bar spend is not reached and an outstanding balance remains payable following the event. Any amount retained from the deposit will be applied towards the outstanding balance.

The £400 damage deposit does not limit the Organiser's liability. Where the total cost of damage, cleaning, repairs, replacement, outstanding bar spend or any other costs exceeds £400, the Organiser remains liable for the full outstanding amount.

The £400 damage deposit will be refunded up to 10 days following the event where there are no outstanding balances, damage, loss or additional cleaning costs, and the vessel, equipment, fixtures and fittings have been left in satisfactory condition.
