Tea and coffee are provided in heat-proof pump flasks or prepared on-site in urns when service staff are present.

The kitchen is not nut-free; traces of nuts may be present in all items.

All dietary requirements and final menu selections must be submitted at least one week prior to the charter date. Requests received after this deadline cannot be guaranteed.

While every effort will be made to match the advertised menu, the caterers reserve the right to substitute items with alternatives of similar value.
